Can we have follow-up on our call on this issue? Discuss Brooklyn Resource Recovery etc. Next week?

Mike – one more thing. Since we will be talking specifically about Brooklyn Resource Recovery and you may want to also invite someone from Regions 1 and 2. Ex. 5 DP / Ex. 7(A)

Sorry, trying to do too many things at once. We could shuffle something around to do Tuesday at 2:00. I'm not sure that I have all of the email addresses for the people you identified, so if I am missing anyone, please forward them the invite. Thanks.

Do you mean Tuesday at 2:00? That now seems to work best for involved staff here.

Guy, would 11-12 on Monday or Tuesday after 2 work instead? One of the more involved staff here has a conflict at 1:00 next Monday.

Thanks Guy. I think tomorrow will be too soon. So, next Monday or Tuesday appear to be better. Monday between 11-2 and Tuesday after 2:00 appear ok right now for me. I’ll check with staff.

Mike – Rob asked me to see if you had some times that might be better for you and your staff to set up a call to discuss the shredders. There is some urgency to discuss a couple of the downstate shredding facilities as part of this broad discussion about this shredder initiative. I realize that tomorrow could possibly be short notice for you and your staff but we have some free time between 11:00 – 1:00 and 3:00 – 5:00, if you are available. If that doesn’t work, we have more flexibility next Monday and Tuesday. Let me know and I’ll send around a meeting invite for a time that works for you and your staff.
